

# KHINE ZIN ZIN LINN

An ICT student who loves drawing and coding. An active team player with a passion for technology and graphic design. I'm looking to use my knowledge of coding and designing to help make the world more technologically advanced. To describe myself in three words, "Conscientious", "Detail-oriented" and "Creative".

## Education

- June 2022-Now  
Information and Communication Technology(ICT)  
Rangsit University International Program, Thailand
- Dec 2019-Apr 2020  
University of Information Technology(UIT), Myanmar

## Experiences

- Dec 2021-Apr 2022  
Full-time Graphic Designer  
Ayarwaddy Sports  
Drew sport jersey designs, especially for football teams and Esport teams, and prepared the files for sublimation process. Used Adobe Photoshop and Adobe Illustrator to draw designs. Got a chance to be familiar with CMYK color model and printing process.
- Oct 2021-May 2022  
Volunteer Graphic Designer  
Pyaw Mal Language Hub  
Drew social media designs for promoting classes, events and knowledge sharing posts on Facebook. Got an opportunity to host a knowledge sharing session for internal team members.
- Jul 2021-Aug 2021  
Volunteer Data Team Member  
GetO2MM  
Volunteered as a Region and Support Team Leader. Had to collect the data of oxygen refilling and other related services because of the oxygen shortage during Covid-19 Third Wave in Myanmar.
- Oct 2020  
Volunteer Facilitator  
Advance Young Professional Association  
Attended a one-week personal development training before Advance Virtual Youth Camp 2020. Volunteered as a facilitator during a 3-day camp. Got a lot of experiences, knowledge and expanded my network during Covid-19 pandemic.
- Oct 2020-Nov2020  
Volunteer Graphic Designer  
Knowledge For Youth Organization  
Drew social media designs for Knowledge For Youth Facebook Page. Volunteered as a facilitator at Brain or Heart Webinar held by the organization.
